

# Inter-related Images of Japan

1. Look at the chart. Please select one keyword from the chart which matches with an image you have of Japan.
2. Next, select a second keyword from the chart which you think has a connection with your first selection. If you cannot find one which relates to your image, please write a new keyword on the chart.
3. Draw a line joining the two keywords together and briefly explain why you think there is such a relation.
